DISCLAIMER OF STUDENT HANDBOOK

In case of conflict between a Board Policy and the provisions of this handbook, the Board Policy most recently adopted will prevail. Students and parents/guardians should be aware that this document is reviewed annually since policy adoption and revision is an ongoing process. These changes will generally supersede the provision found in the handbook, which will become obsolete by the newly adopted policy. The handbook is not a contract between the parents/guardians or students. It can be amended at any time at the discretion of the district. If policy changes are enacted during the school year, the administration will communicate those changes to students, staff, and parents/guardians.

I. BUILDING/SCHOOL INFORMATION

ALMA MATER

To thee, dear Alma Mater,
This song we proudly raise,
A song that's filled with gladness
A song that's filled with praise.
Cocalico, we remember you
And to the White and Blue forever we'll be true.

Though future years may find us
In places far away
As loyal sons and daughters
Our thoughts to thee shall stray.
Cocalico, we'll remember you
And to the White and Blue forever we'll be true.

III. ATTENDANCE POLICIES

GENERAL INFORMATION

Attendance Administrative Assistant – Shirley Enck
Phone: (717)336-1449 Fax: (717)336-2535

The Cocalico School District considers school attendance essential for success in school. In keeping with school law and regulation, students in the Cocalico Schools may be excused temporarily from school for the following reasons: 1. personal illness or quarantine 2. death in the immediate family 3. observance of bona fide religious holiday 4. three college visitation days (junior and senior year) 5. weather so inclement as to endanger the health of the child 6. for the purpose of obtaining professional health care or therapy services rendered by a licensed practitioner of the healing arts in any state, commonwealth, or territory. **Absences for any reason other than those above constitute unexcused/unlawful absences of the student who is 16 years and under and unexcused absences of the student who is 17 years and older.** An excuse signed by the parent/legal guardian must be presented to the attendance office prior to 7:35 A.M. upon return to school after the absence. Failure to return an excuse slip within three days after an absence may result in detentions and the absences will be coded as unlawful or unexcused. The school will notify parents in writing when their child has accumulated seven (7) days of absence to inform them that a written reason from their physician will be required for every day of absence that exceeds ten (10) days, this includes days sent home by the nurse. All unverifiable days beyond the ten (10) days will be treated as illegal or unexcused absences. All absences (excused and unlawful) are listed on the daily bulletin. Any student sent home by the nurse is required to have an excuse upon return to school to receive an excused absence. Students should contact their teachers and check Schoology to make up schoolwork. Students who have pre-planned absences should secure assignments *prior* to the absence. Students missing three or more consecutive days must have a doctor's note. Students absent from school will be called by School Messenger. If you know your student will be absent from school, please call the Attendance Office (717) 336-1449.

Parents vacationing separately from their children shall provide the school with the name, address and phone number of the person responsible for the student during parental absence.

Days used for vacation may not exceed a total of 10 days. Pre-approved vacation days will not count towards attendance totals. Vacations are a disruption of the educational process and consideration needs to be given in any planned absences. Absences for family vacations during the school year need prior permission from high school administration, by obtaining and completing an excused/absence request form prior to the vacation. A parent signed note must be presented. This includes all students who will be a spectator at an extra-curricular event during school hours. Approval of requests is not automatic. Students not having prior approval will be marked as unexcused/unlawful. Any student planning a vacation during the final two weeks of each semester must meet with the principal for approval.

Hunting/fishing trips are coded as family vacations. **Military recruiting, school visitations, job interviews, travel, etc. require PRIOR written parental request and administrative approval in order to be excused absences.** Proof of appointment verification is necessary. Driver exams must have proof of test from testing center in order to be excused. Typically, driver exams are excused for ½ day only. A full day for a driver's exam requires prior permission.

ABSENCES

All absences other than illness must have prior permission from the office. Otherwise, they are coded unlawful. After 3 unlawful absences parents will be notified by a warning letter. This letter will include a description of the consequences if the child becomes habitually truant. If the student has a 4th unexcused absence, a "school attendance improvement conference" must take place to complete a School Attendance Improvement Plan (SAIP). Students will be considered Habitually Truant if they accumulate six or more unexcused days. Truancy could result in a fine levied against parent/students in addition to detention. Any student 17 or older who has amassed unlawful absences may be removed from the school rolls. Students who are unlawfully absent or suspended out-of-school or in-school are not permitted to attend school sponsored events. Students falsifying excuse slips will be disciplined.

ABSENCES FOR DENTAL/MEDICAL APPOINTMENTS

Submit a written parental request to the office before 7:35 A.M. Students will sign out when leaving and sign in upon their return. Students must return an excuse completed by the doctor and this excuse must be handed in upon their return to school.

COMPULSORY ATTENDANCE

The school may report to the appropriate authorities' infractions of the law regarding the attendance of the students below the age of seventeen. The school shall issue notice to those parents and guardians who fail to comply with the statutory requirements of the compulsory attendance that such infractions of the statute will be prosecuted. If parents, guardians, or students are found guilty of an infraction of the law regarding attendance, they may be fined up to \$750.00, required to complete a "parenting program" and/or complete up to six (6) months of community service to the district. Students may also be at risk for attendance violations. If parents or guardians can show that they took every reasonable step to ensure attendance for children 13 years of age or older, the student may

be fined \$750.00, referred to delinquency proceedings, adjudicated and/or lose driving privileges for ninety (90) days to six (6) months.

FORGETTING EXCUSE SLIP

If the signed excuse slip is not returned to the attendance office before 7:35 A.M. by the 3rd day following the absence, the absence will be coded unlawful and the appropriate discipline will be assigned.

LEAVING SCHOOL DURING THE DAY

Students should NEVER leave the high school building without proper authorization from the high school office or from the high school nurse. Students sent home by the nurse may not participate in extra-curricular activities that day. Students are not permitted to leave the building during the day to go to their car without permission from the office. Students are not permitted to leave school property for any reason without verbal or written permission from their parent/guardian once they arrive at school in the morning.

Leaving before 9 A.M. = Full Day Absence

Leaving after 1:45 P.M. = Early Exit

TARDY TO SCHOOL

After 7:42 A.M. – report to the Attendance Office

Entering between 7:42 and 8:20 A.M. = Tardy to School

Entering between 8:20 A.M. and 12:30 P.M. = A.M. Absence

* First legal notice after 6 or more unlawful absences.

*Each proceeding unlawful absence could result in a legal notice (if under the age of 17) and further disciplinary actions.

Students under 17 years of age will be coded as truant and a citation will be issued by the District Justice.

Legal notices are filed with the District Justice.

Legal actions are issued at the discretion of the District Justice.

Any student, 17 years or older, who accumulates 10 consecutive or 15 cumulative unexcused absences may be dismissed from school and must re-enroll the following semester.

CHANGE OF ADDRESS WITHIN THE DISTRICT

If you plan to change your address or telephone number, please notify the Counseling Office. Upon your notification, the proper paperwork will be provided to make the changes.

MOVING FROM THE DISTRICT

If you plan to move to an address in another school district, please notify the Counseling Office. You may be asked to sign documentation withdrawing your child from the rolls of Cocalico School District. Your child's records will then be forwarded to the new school district upon their written request.

IV. COUNSELING

GENERAL INFORMATION

Counseling Department Administrative Assistants:

Kimberly Lescoe (717)336-1427

Gloria Powell (717)336-1442

Fax: (717)336-1418

Counseling is an individual service. If a student wishes to seek help or talk about educational and career plans, he/she may make an appointment with a counselor.

Students are assigned a school counselor alphabetically:

Shawn Clicquennoi	A-Ha
Drew Shimko	He-O
Krystal Waltman	P-Z

COUNSELING DEPARTMENT WEBPAGE

https://chs.cocalico.org/support_services/counseling_office

The Counseling Department has information, scholarships, special announcements, departmental procedures and power point presentations available for students and parents to view on the website, which is updated throughout the school year.

PARENT COMMUNICATION

The communication between teachers and parents should be ongoing and is encouraged. At any time, a parent may contact the school to request a conference with a teacher, an administrator, or a guidance counselor. Parents have the ability to view student grades at their leisure through PowerSchool. The High School links most of their information on the Cocalico website. Check www.cocalico.org for the most current information. Other material may be shared in writing through the Counseling Office, Counseling Department web page, and student created publications throughout the year.

STUDENT ASSISTANCE PROGRAM (SAP)

The Student Assistance Program is designed to give support and aid to Cocalico students. The SAP Team is composed of teachers, school counselors, administrators, a social worker, and the school nurse. The team works with community and mental health professionals in assisting students who are challenged by drug/alcohol abuse, eating disorders (anorexia/bulimia), depression/suicide, teen pregnancy and parenthood, and conduct/behavior issues. Anyone may refer a student to the Student Assistance Team. Most referrals are made by teachers who are concerned about a particular student. Parents may refer their children (especially after an accumulation of difficult disciplinary issues). Students may refer their peers. It is also not unusual for students to initiate a self-referral. The team stands ready to support and will refer for professional evaluation when necessary. Parents, students, or community members who desire additional information concerning the program should refer to the High School website under the Counseling Office tab or contact one of the administrators.

V. CURRICULUM INFORMATION

Cocalico High School provides a variety of curriculum offerings so that students are able to plan a high school program suited to individual needs. All course offerings are available to all students. Proper sequence of selection is necessary. Students planning to attend college, nursing schools, business, trade, and technical schools should consult with counselors and check entrance requirements for the school they plan to attend. Careful consideration to a planned program will enable students to pursue a Technical/Vocational Prep or College Prep course of study.

CAREER AND TECHNOLOGY CENTERS

The Career and Technology Centers in Lancaster County located in Brownstown, Willow Street, and Mount Joy are considered an extension of the home school and provide opportunity for students to receive specified training for entry into technical, skilled, and semi-skilled occupations. Students who elect this program attend their senior year at the appropriate CTC (1/2 day junior year in some instances).

Detailed course information is available in the Counseling Office. Students electing to attend CTC their senior year must meet the following requirements:

1. A student attending CTC must have completed 3 credits of English, Math, Science, PE and Social Studies prior to enrolling at CTC.
2. A firm commitment to attend CTC is necessary.
3. If a student withdraws or is removed from the CTC program during the school year, it is possible that he/she will not be re-admitted to the home school until the following semester.

VOCATIONAL-AGRICULTURE

The vocational-agriculture program is designed for students interested in pursuing a career in agriculture or related occupations. Students may elect this program prior to grade nine (9) at Ephrata High School. Before course selection is made, agriculture instructors from Ephrata High School will contact students and their parents to discuss the program and project requirements.

GENERAL SCHEDULE LOAD

Pupils schedule four blocks of classes per semester. For purposes of scheduling, full day CTC is considered equivalent to 8 credits.

GRADING

A+ (98-100)	C+ (77-79)	F 0-59 Failure
A (93-97)	C (73-76)	I Incomplete
A- (90-92)	C- (70-72)	P Pass
B+ (87-89)	D+ (67-69)	
B (83-86)	D (63-66)	
B- (80-82)	D- (60-62)	

The final grade is based on the quarterly grades and the final exam/final project. To receive credit for a specific course, a student must earn a numerical average of 60 percent or better to receive course credit.

Students receiving an "F" OR "D" grade will be ineligible for honor roll status. A student must receive grades in all subjects to attain honor roll status (no incompletes).

REPORT CARDS

The report card has been designed to fairly and accurately evaluate student progress. Each student, with his parents, should examine the report and note tendencies toward poor performance. In conjunction with faculty members, an improvement plan should be initiated. Conferences are encouraged. The subject matter grade will be indicated by letter A, B, C, D, F, etc. Report cards will be mailed only at the end of the year or during the year by request only.

Please note progress reports will be sent home only by request.

RETENTION POLICY

Students must earn a minimum predetermined number of credits each year in order to be promoted to the next grade. Students must successfully complete a minimum of 5 credits to be classified as a sophomore, 13 credits to be classified as a junior, 20 credits to be classified as a senior, and 28 credits to graduate. If a student has not met these credit requirements, they will be re-assigned to the appropriate grade. Information on remediation of failed courses is available in the Counseling Office.

GRADUATION REQUIREMENTS

All students will follow the graduation guidelines as stated in the current Educational Planning Guide. Information can be found online at www.cocalico.org. Use the High School CHS Educational Planning Guide link.

NAVIANCE

Naviance is a suite of tools to help students address four critical areas of post-secondary success including self-discovery, career exploration, academic planning, and college and career preparation. Each grade level will be assigned various tasks throughout the school year. School Counselors will assist students with task completion via class meetings, classroom presentation, and individual sessions. Every student will have the opportunity to use Naviance to develop their career, educational and life goals.

COMMENCEMENT

Seniors must attain graduation requirements (scholastic, disciplinary, financial) in order to participate in the commencement ceremony.

ACADEMIC SUPPORT

Cocalico High School students in need of additional help in any of their courses may elect to participate in our voluntary after school academic support program. The program runs Monday –Thursday from 2:45 p.m. - 3:45 p.m. during the school year beginning two weeks into each semester and ending the day before finals. This service is provided at no cost to our students and they choose to stay as little as one day per week to a maximum of four days per week. Any student wanting to participate may receive additional information from the Counseling Office and/or the Main Office.

SUMMER SCHOOL/CREDIT RECOVERY

Students in grades 9 through 12 may attend summer school for the purpose of repeating a failed course. Students must communicate with their school counselor to review and select these options. Students must be referred by a counselor.

Information on all options is available in the Counseling Office.

HOMEWORK/CLASS ASSIGNMENTS

Homework and class assignments have many purposes, which include but are not limited to; practicing and developing skill or process, deepening content knowledge, previewing new content and providing opportunities for students to explore topics of their own interest. Teachers will clarify their individual expectations at the beginning of the course. It is the responsibility of the student to gather any missed work from their instructors.

PHYSICAL EDUCATION INFORMATION

PHYSICAL EDUCATION UNIFORM

Co-ed physical education uniforms are offered to students. All students will wear the uniform (royal blue shorts and shirt) in its issued condition (ripped and ragged suits must be replaced). Students will purchase the uniforms from the school. Shoes must be made of high-quality sole (non-floor marking). Speed lacing is not permitted.

ADAPTIVE PHYSICAL EDUCATION REFERRALS

Students secure a form from their physical education instructor. The form is completed and signed by the family physician. (This will define the participation level). Return the form to the physical education instructor.

PLAGIARIZING/CHEATING

It is the expectation that each student submits his/her own original thoughts, ideas, and work. Teachers will clarify individual expectations at the beginning of the course and assignments/projects. Students caught plagiarizing will receive a consequence.

COURSE CHANGES

Students desiring to change schedules by dropping/adding courses should consult their school counselor. Course changes for the first semester of the school year **must be made before the first day of school**. Course changes for the second semester **must be made before the first day of the second semester**. After those dates, schedule changes require administrative approval.

EXEMPTION FROM INSTRUCTION

The district recognizes that parents may, for religious reasons, object to their children receiving instruction in specific areas of study. When parents determine that they want to request an exemption for their children from a specific aspect of instruction, they shall submit a letter of request to that effect to the building principal, stating their religious objections to the lesson(s). The principal will review the request and, if the principal determines it to be a bona fide request, the teacher will provide alternative instruction during the relevant time period.

Bullying/Cyberbullying/Harassment

The Board is committed to providing a safe, positive learning environment for all students. The Board recognizes that bullying and harassment creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning and may lead to more serious violence. Therefore, the Board prohibits any forms of bullying or harassment by students. The complete policy is located on the district website, Board Policy 249.

Bullying/harassment means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students that is severe, persistent, or pervasive and has the effect of doing any of the following:

1. Substantial interference with a student's education
2. Creation of a threatening environment
3. Substantial disruption of the orderly operation of the school

Cyberbullying falls under bullying and includes the use of modern communication technologies such as the Internet, mobile phone, or other type of digital technology to embarrass, humiliate, threaten, or intimidate another student.

Out of school bullying are actions which would otherwise satisfy the definition of bullying, but for being entirely outside and unconnected to the school setting. Students involved in outside of school bullying may be disciplined by school officials when it impacts the school environment.

Sexual harassment constitutes unwelcome sexual advances, unwelcome requests for sexual favors, inappropriate verbal conduct, inappropriate physical conduct, or unwanted communication of sexual nature. The behavior is harassing when it interferes with a person's education or creates an intimidating, hostile, or offensive environment. Sexual harassment is a behavior of sexual nature that (a) is unwanted and not liked, (b) is unwelcome, or (c) occurs on a frequent basis. Sexual harassment is from the perspective of the person being harassed. Behavior can include, but are not limited to:

- sexual or “dirty” jokes
- gestures with the hands and body
- graffiti
- verbal comments (about parts of the body, actions, behaviors, clothing, or looks)
- unwanted affectionate remarks

If you believe you are a victim of any form of bullying and/or harassment, you should notify the principal, counselor, or teacher immediately. These concerns will be investigated promptly by the building administration and may involve law enforcement if deemed necessary.

Discipline:

1. A substantial charge against a student shall subject such student to disciplinary action, consistent with the student discipline code, and may include: legal action, discipline up to and possibly including expulsion, and/or counseling services.
2. If it is concluded that a student has made false accusations of harassment of any form and/or also participated in an act of harassment, such student shall be subject to disciplinary action.

PUBLIC DISPLAYS OF AFFECTION

(Third Party Sexual Harassment)

No matter what your age, caring for others and showing affection is important. An affectionate relationship between two people is and should remain private. Public displays of affection are not appropriate in a high school setting. A simple show of affection such as holding hands is acceptable; however, kissing and close physical contact in a public school will not be condoned. Excessive displays of affection may result in disciplinary action.

SUBSTANCE ABUSE POLICY

The high school recognizes that substance abuse is a serious concern for our students. The school is committed to the general principles of education, prevention, intervention, and law enforcement in responding to this community issue. This policy is intended to discourage and prevent alcohol and drug use by students and to provide guidelines and an appropriate and effective response to any instances of alcohol or drug use by students. Through the use of a revised curriculum, classroom activities, community support and resources, a strong and consistent administrative and faculty effort, and rehabilitative and disciplinary procedures, the Cocalico School District will work to educate, prevent, and intervene in the use and abuse of all drug, alcohol, and mood-altering substances by the entire student population. The following rules, regulations, and guidelines shall be used by all school district personnel when responding to drug, mood-altering substance, and/or alcohol related situations. During the school year, a student who, on school grounds or during a school session, or anywhere at a school activity, consumes or is under the influence of alcohol, drugs or mood altering substances or possesses, uses, dispenses, sells or aids in the procurement of alcohol, narcotics, restricted drugs, mood altering substances, or any substance purported to be a restricted substance or over-the-counter drug, shall be subjected to discipline pursuant to the provisions and procedures outlined in guidelines established by the administration and approved by the Board. Students who violate the district’s substance abuse policy will be subject to loss of privileges, suspension, and/or expulsion.

POSSESSION OR USE OF TOBACCO

Tobacco use and possession by students is prohibited at any time in a school building and on any property, busses, vans, and vehicles that are owned, leased or controlled by the school district. The use and possession of tobacco is prohibited by students at school sponsored activities that are held off school property. Any student who violates this policy shall be subject to discipline, which, depending upon the circumstances, may include suspension or expulsion. For an athlete, it will also be a code violation and lead to removal from the team. Tobacco products such as electronic cigarettes and/or vaporizers are also prohibited.

POSSESSION OR USE OF WEAPONS

Students are prohibited from possessing, carrying, storing, or using weapons or dangerous instruments including explosive and incendiary device (fireworks and the like) while on school premises, on the way to or from school, and while attending school sponsored activities. For purposes of this policy, a weapon is defined as anything readily capable of lethal use and possessed under circumstances not manifestly appropriate for lawful uses it may have. The term “weapon” includes a firearm, knife, dagger, razor, other cutting or stabbing implement or club, including any item which has been modified or adapted so that it can be used as a firearm, knife, dagger, razor, other cutting or stabbing implement or club. The term “firearm” includes an unloaded firearm and the unassembled components of a firearm. Violations of this policy shall result in disciplinary action consistent with due process ranging from suspension to expulsion. The possession of a firearm shall constitute a one-year expulsion. The law does allow the chief administering office to modify such expulsion requirements for a student on a case-by-case basis. The intent of this modification is for compliance to the Individual with Disabilities Education Act (IDEA). Additionally, at the time of such violations, local police authorities shall be notified when possession or use of weapons or dangerous instruments by a student constitutes a probable violation of criminal statute as summary, misdemeanor, or felony offense. Parental or guardian notification shall also be made in a timely manner. Legal Reference: ESEA Act – Title XIV, Gun Free Schools Act of 1994.

MEMORANDUM OF UNDERSTANDING

In order to comply with state regulations, the Cocalico School District signed a Memorandum of Understanding with the East Cocalico Township and Ephrata Police Departments. It states procedures followed when these incidents occur: acts of violence, weapon possession, truancy, use/possession/distribution of tobacco/drugs/alcohol. A copy is on file in the high school office.

SCHOOL RESOURCE OFFICER (SRO)

Cocalico School District partners with the surrounding communities to provide an SRO from the East Cocalico Township Police Department. The SRO maintains an office in the high school, but provides services to all district buildings. The office serves as a liaison between the school, police and the community. Through the SRO's presence on school grounds, the goal is for the officer to foster positive relationships with students for the purpose of helping to prevent juvenile delinquency and truancy. The SRO also serves as a valuable resource for crisis planning and response.

VII. GENERAL INFORMATION

ASSEMBLIES/PEP RALLIES

Assemblies/pep rallies will be scheduled throughout the school year. Students are expected to respect the efforts of those who are performing. Inappropriate responses/behavior, etc. is cause for removal. As a disciplinary measure, students may be denied attendance at assemblies/pep rallies.

BICYCLE USE

A bike rack is provided for those students who ride bicycles. It is recommended that students lock the bicycles to the rack. The school shall not be responsible for bicycles and items that are lost, stolen, or damaged while on district property.

BUS INFORMATION/GUIDELINES

The Cocalico School District offers bus transportation for the convenience of pupils living outside of walking perimeters. Students and parents need to be aware of the expectations and follow the bus rules provided. By complying with these rules, we can maximize the potential for a safe, pleasant bus experience for everyone. Each school year, eligible students are assigned a bus and a bus stop. Bus drivers will only stop at established and authorized bus stops as mandated by PA School Code. Bus stops and bus numbers assigned to students may only be changed with permission of the school. Students needing to ride another bus for **emergency purposes** must secure a yellow "Bus Pass" from the office to be permitted to ride another bus or to get off the bus at another "stop." Parents need to provide prior written requests to the school to secure permission. If this emergency request involves another family, a note is required from both families. Otherwise, students will go home via their normally scheduled means of transportation.

Students need to arrive at their bus stop five minutes before the designated time. Discipline may result for behavior to, from, and at bus stops.

For safety purposes, students are not to cross a road until the bus has come to a complete stop and then students are to cross approximately ten feet in front of the bus to remain visible to the driver at all times.

Cocalico is willing to provide transportation to a location other than the child's home within Cocalico School District. However, parents must designate a consistent AM and PM location. The AM stop must be the same for each day of the week. Likewise, the PM stop must be the same for each day of the week. The AM and PM stops may be different but must remain in the same school attendance area.

Any permanent changes in transportation arrangements require at least two days' notice to become effective after approval has been secured.

Each student will receive a Cocalico School District Transportation Medical Information form in the August mailing. If your student has a health problem which might require attention while he or she is being transported to and from school, please complete the form and return it to the school nurse during the first week of school. This information will be shared with the bus driver.

Each school bus is equipped with a video camera box that is capable of holding a video camera at any given time. Neither the school bus driver nor the students are able to determine if the video camera is in the box on their bus. The Transportation Department will rotate the cameras throughout the bus fleet as necessary. The cameras on the school busses will record visual images and they may also record oral communications. Students and their parents agree that the students' use of the school bus constitutes consent to the District's audio/visual monitoring. The Administration will monitor all of the school busses for disciplinary problems, as well as safety related concerns.

Bus Rules

The school busses are the property of Brightbill Transportation, Inc. and students should do their part to keep the inside of their bus clean and in good condition. The following rules are posted in each school bus:

1. Drivers shall submit a written bus conduct report of serious or repeated violations to the principal. Parents may be notified.
2. Serious or repeated violations may result in a limited suspension of bus riding privileges. An official notice will be sent home to the parents.

Camera recordings are reviewed by school officials for discipline and security purposes, and may be provided to the police or used in school disciplinary proceedings. Individuals should understand that their actions while in these areas will be recorded and they should have no expectation of privacy in public areas.

The use of video cameras in school and on school busses is aimed at preventing discipline problems from occurring while not serving as a threat to normally acceptable student behavior. CO-CURRICULAR CODE OF RESPONSIBILITIES

Co-curricular activities such as athletics, band, student government, clubs, etc., are important and integral parts of the total school community and are open to participation by all students. Through voluntary participation, the student gives time, energy, and loyalty to the school and activity and reaps the rewards associated with participation in these privileges. He/she also accepts the training rules, regulations, and responsibilities which are unique to that activity. All students involved in co-curricular activities must agree to "The Code of Responsibilities" in order to participate.

In an effort to ensure the health, safety and well-being of Cocalico students involved in co-curricular or extra-curricular activities the following Code of Responsibilities will be in effect for the entire school year. Violations of any of these items may result in dismissal or suspension from any co-curricular or extra-curricular activity. In addition, any student who has been involved with criminal misconduct at any time during the calendar year may be suspended from co-curricular or extra-curricular activities during the present and/or upcoming season of activities.

1. Use, abuse, possession, and distribution of drugs (including steroids), alcohol, and tobacco in any form or the use of any look-a-like drug or attendance at any activity where alcohol or drugs are being used illegally.
1st Offense: The student will be suspended from co-curricular activities for sixty (60) calendar days and will be referred to the Student Assistance Program Team. A student may remain on the team and practice with the coach's/advisor's consent, but will be denied the opportunity for interscholastic competition/event participation.
Subsequent Offense: The student will be ineligible to participate in any co-curricular activity for one (1) calendar year beginning on the date which the administration determines that the student violated the policy.
2. Civil law violations – Any infraction of a civil/criminal law by a student will result in a review by the head coach/advisor, athletic director, and principal. Possible suspension/dismissal will be based upon severity of the violation.
3. Hazing – The Cocalico School District will not tolerate or condone any type of team or individual hazing or initiation where mental stress, embarrassment or physical harm may take place. Any infraction of this policy will be subject to disciplinary review by the coach/advisor, athletic director, and principal. Disciplinary action may include suspension or dismissal and the reporting of the behavior to police authorities.

Physicals: Sports physicals must be performed by a physician starting June 1st in order for an athlete to compete in the 2019-2020 school year. The only acceptable form to use is the PIAA Comprehensive Form, which will be distributed during the sign up with the coach prior to the season, or it can be obtained by going to the website www.piaa.org. The parent and athlete need to complete sections 1, 2, 3, 4 and 5. The physician must complete Section 6. Section 7 is used for athletes competing in a second or third season. Any athlete who is injured during a season must complete Section 8 prior to becoming eligible for the next season. All paperwork is due to the Athletic Office one week prior to the start of preseason.

4. Return of equipment – All students have an obligation to return issued equipment. If equipment or its monetary value is not returned to the coach/advisor, the student may not participate in future activities until all obligations have been met.
5. Attendance at school – A student must be in school by 10:30a.m. in order to participate in a contest/practice that day and any exception must be approved by the building principal and/or athletic director. Any student sent home ill by the school nurse would not be eligible for competition that day. Any student who has been absent for a total of twenty (20) or more school days during a semester will not be eligible until he/she has been in attendance forty-five (45) school days after the last absence.
6. Quitting an activity – A student may not quit one activity and participate in another co-curricular activity after that activity has begun without the mutual consent of both coaches/advisors.
7. PIAA and Lancaster-Lebanon League Regulations – All rules established by the PIAA or Lancaster-Lebanon League shall be adhered to by all student participants.
8. Individual sport/program guidelines – A student is expected to familiarize himself/herself with the guidelines established by the coach/advisor and to comply with those regulations.
9. Academic eligibility – A student failing any two (2) subjects will be ineligible for the following week's activities (Monday through Saturday). In addition, if the student has not passed at least four full-credit subjects at the end of the grading period and/or end of the semester, he/she will not be eligible to participate for the next fifteen (15) school days for high school students and ten (10) school days for middle school students. Ineligibility period begins when report cards are distributed to the student body.

At the end of the school year, the same rule applies: if a student has not passed at least four full-credit subjects that student-athlete will be ineligible from participating in all extracurricular activities for fifteen (15) schools days at the start of the next school year. If the student successfully makes up at least one course/subject in summer school, the student-athlete will be eligible to participate in extracurricular activities for the start of the school year.
10. ISS/OSS – Any student assigned ISS/OSS is not eligible to participate in any school activity the day(s) of the suspension. Any student suspended on a Friday would not be eligible to participate until the following Monday.

DUE PROCESS PROCEDURES

1. If a Code of Responsibilities decision is disputed by the co-curricular participant or his/her parents/guardians, a Review Board consisting of two (2) students, two (2) administrators, and two (2) coaches/advisors, all of whom are not directly involved in the action will hear the dispute and render a decision. A school director will moderate this hearing.
2. All persons, including parents/guardians, involved in the violation and those responsible for the subsequent decision may attend the hearing to present their position.
3. The rendered decision will be given to the offended parties in a timely fashion.

ATHLETE/FAN CONDUCT

“Participating schools of the Lancaster-Lebanon advocate coaches, players, and spectators treat guests with equity and respect. The Lancaster-Lebanon League encourages spectators to cheer and support their respective teams in a positive manner, but not to cheer negatively against the opponent. Offenders will be escorted from the gym/stadium. Only cheerleaders are permitted on the sidelines or playing surface for the purpose of leading cheers and promoting school spirit. No fan or spectator is permitted out of the stands for this purpose. Offenders will be escorted from the gym/stadium. Students are permitted to form spirit lines on the football field as the players enter the field before the games. No sirens, whistles, portable stereos or other noise makers which interfere with the playing of the game will be permitted. No hand-held banners, or hand-held signs of any type shall be displayed. Such articles will be confiscated by the game manager. Abusive language, negative gestures, or taunting directed toward players, coaches, officials, or cheerleaders is prohibited. Offenders will be escorted from the gym/stadium.

The throwing of paper or foreign objects onto the playing surface is prohibited. Offenders will be escorted from the gym/stadium.” At no time may spectators reserve seating prior to an athletic event until the gates have officially opened.

Principals or representatives of contesting schools shall announce these regulations to their schools’ fans. The Cocalico School District adheres to the rules and regulations listed above as set forth by the Lancaster-Lebanon Interscholastic Athletic Association. Cocalico School District’s handbook is posted on the high school webpage. Eligibility guidelines, code of responsibility and awards system are included. Participants and spectators should conduct themselves in a manner which will not discredit the school or themselves. Unsportsmanlike conduct or unfair means are not to be used. No action is to be taken or course of conduct pursued which would be unsportsmanlike or dishonorable. Visiting teams and officials are honored guests of the district and should be treated as such. All decisions of the officials are to be honored. Any spectator who continually evidences poor sportsmanship will be denied attendance at future contests. Extracurricular activities are an extension of the student’s educational program. The student will benefit more from your support and praise than from your criticism.

XI. Equal Opportunity Education Institution

The Cocalico School District is an equal opportunity education institution and in compliance with the requirements of the Title VI, Title IX, Section 504, and the A.D.A., will not discriminate on the basis of race, color, religion, national origin, sex, disability, or handicap in its activities, program or employment practices.
