

Armed Services Letter to all Junior Class Members

Recent Legislation was passed by the Pennsylvania General Assembly that permits the Armed Services to request and receive a list of names, birth date, addresses, and telephone numbers, for your class, for all public school districts in the state of Pennsylvania. Included in that legislation was the right of each student to request, in writing, at least 21 calendar days prior to the release of such list, the exclusion of any individual's information.

If you do **NOT** want your name on this list, please sign and return the bottom portion of this form to the High School Counseling Office by **September 18, 2020**.

Dear Mr. Irvine,

I have read the above information and understand my right as a student member of the Class of 2021. I request that my name and any demographic information **not** be included on the list that is requested and given to the Armed Service Recruiters.
