To: Cocalico High School Student Drivers
From: Mr. Chris Irvine, Principal
Subject: 2020-2021 High School Parking Lot and Hang Tag Responsibilities

- 1. Students are required to register their vehicles and obtain a parking permit (hang tag). A valid driver's license is required. If you list multiple vehicles, your hang tag must be displayed in the vehicle you are driving to school or you must park across the street for that day. Lost/stolen hang tags **MUST** be replaced in order to continue parking on the student parking lot/Talon Field parking lot.**
- 2. Staff/Administration will conduct parking lot checks/surveillance. School authorities may search vehicles on school property, with probable cause.**
- 3. No parking space numbers will be assigned. Your tag does not assure you a specific parking space. It gives you permission to park on the High School parking lot and it **MUST** be displayed at all times.**
- 4. The administration parking lot, teachers' parking lot, as well as all reserved, handicapped, nurse, and visitors' spaces may not be used for student parking.**
- 5. All drivers must adhere to the Pennsylvania Motor Vehicle Code specified speed limit (15 mph on school property) and operate vehicles in a safe and considerate manner. School bus and pedestrian traffic shall have the right of way. (This includes buses on Fourth Street.)**
- 6. Vehicles should be locked. This discourages unauthorized use of your vehicle and deters theft.**
- 7. Driving privileges will be suspended for violation of school, borough, and state vehicular laws, as well as, violation of certain school rules and regulations.**
